Benefits of KySDVOSB Certification

- Official recognition by the Commonwealth of Kentucky that verifies and validates the SDVOSB is owned and controlled by a service-disabled veteran.
- The Kentucky application process is streamlined if the SDVOSB is verified and in good standing with the U.S. Department of Veterans Affairs, Center for Verification and Evaluation, Veterans First Verification Program.
- Allows SDVOSBs to compete for work in other states that require certification by a statewide body.
- Enhances business opportunities with other governmental entities, non-profits and other businesses that want to work with veteran-owned companies.
- Opens up networking opportunities with other veteran-owned companies and organizations.
- Marketing opportunities through networks such as Kentucky's Small Business Connection Portal and the Small Business Administration.
